4. **TRAILERS:**

Trailers are to be removed from the pit area after offloading; teams are requested to leave their pit areas clean at the end of the race. (Refer rule 10.7)

5. **DOCUMENTATION AND SCRUTINEERING:**

Documentation will be held on **Saturday 26th August 2017, from 06h00 to 08h00** in the documentation room upstairs. Pre-event scrutinizing will take place on **Saturday 26th August 2017, from 07h00 -09h00** .**All karts must be presented for scrutinizing in the Parc ferme.** (Refer rules 9.3). Racing will commence at **10h45 on Saturday 26th August 2017.**

6. **PROGRAMME OF EVENTS:**

The Program of Events will be published at a later date, but will form part of these supplementary regulations (Refer rule 9.1 & 9.2).

7. **FORMAT FOR THE DAY:**

Prokart SSS 390: 4 heats (2x 30min and 2x 40min with 1 mandatory stop per 40 min heat)

Prokart SSS 270: 4 heat (15min)

Prokart SSS Midgets: 4 heats (12min)

Prokart SSS Minions: 4 heats (10 min)

Prokart Endurance: 2 Heats (120min and 180min)

Maximum drive time per Endurance driver is 100 minutes.

A total of 6 stops will be required for Endurance teams, spread out over the two heats. Teams can decide when to execute their planned stops, provided they do not infringe on the maximum drive time per driver. For example, teams can decide to stop once in heat 1 and 5 times in heat 2, it's entirely up to them to decide as long as a total of 6 stops are executed across all heats.

8. **DRIVER'S BRIEFING:**

Driver's Briefing will take place in the Documentation Room. Please refer to the programme of events for the exact time.

9. **STARTING PROCEDURE:**

Start Procedure in all heats will be standing starts.

Karts must be formed up on the dummy grid in the pits in correct grid position at least 10 minutes before the race in progress finishes. Karts not formed up on the dummy grid in correct grid position will start from the back of the grid.

Combined Sprint 390 and Endurance heats will have two starts, first for Endurance and then Sprints. Endurance will line up on the grid and start. Sprints will be ready to line up behind Endurance and will start immediately on instruction of the COC, before Endurance completes one lap.

10. **END OF THE RACE:**

The end of the race will be signified by the waving of the chequered flag. For combined heats with Sprint 390 and Endurance, the first chequered flag will indicate the end of the Sprint 390 race and the second Chequered flag will indicate the end of the Endurance race.

11. **PARC FERME:**

All Competitors who have completed 2/3 of their race distance/time are classified as finishers and, unless otherwise directed by the Clerk of Course, are therefore required to bring their karts to the Parc Ferme immediately after the race. The Organizer reserves the right to impound and examine any kart at their discretion.

12. **PRIZEGIVING:**

The prize giving will take place in the Bar area as soon as possible following the race and after results become final.

13. **TIMING TRANSPONDERS:**

Timing transponders are to be returned to the relevant timekeeping official prior to that official leaving the circuit. Should transponders not be returned on Race day, they are to be returned by hand or via courier to Patsy Roos (016 422 1028) and an amount of R300 will be levied on the team. No further transponders will be issued before the outstanding transponder is returned and the levy paid. (Refer rule 10.10).

15. **PROTECTIVE CLOTHING:**

Refer rule 1.14.

16. **PIT STOPS, REFUELLING AND DRIVER CHANGES:**

Refer to part 11 &12 of the rules.

17. **PENALTIES AND PROTESTS:**

Refer to part 13 of the rules.

18. **Special Instructions:**

(The penalties noted hereunder, are for this event only and do not change the Official rules.)

The following special rules apply to all class competitors, since the program requires that they race into the night.

18.1 Red flashing light to the rear and white forward facing light . This is an important safety requirement for this event for various reasons. Firstly when following and overtaking it is nice to know how far you are away from the kart you are approaching. Secondly in case of power failure, at least you can all follow each other. (More than one flashing light may be fitted.) A red flashing LED facing rearwards will be part of our technical rules for this event. It must be operational at all time's day or night. It must be visible from at least 50 meters rearwards, from the driving position of the following kart. Any team not having a RED flashing LED TO THE REAR at all times will be flagged into the pits to replace, repair or switch on the light. A minimum of one white forward facing light must be attached to the front of the kart and must be visible from at least 50 meters. Any team not having a WHITE forward facing light will be flagged into the pits to replace, repair or switch on the light. These instruments are obtainable from any bicycle shop. They are adept to vibrations and the adversity of shock. It would be advisable to ensure they are mounted securely, in a position that it would not be dislodged by a rear shunt. Please ensure you have a set of spare batteries and or a spare flashing red light. More than one light may be fitted. Penalty for not displaying a red light to rear, or white forward facing light at any time during the event. Kart/s will receive the black and orange flag with your number. You will pit immediately to replace or repair the LED light.

Use of lights will be enforced from 17:45 onwards for the remainder of the day's racing.

19.

GENERAL:

Please refer to the rules for minimum weights (2017 Prokart Super Single Technical Regulations). Use of Race Monitor for positions and lap times.
