Uphills, downhills, chicanes and other challenges make KwaZulu-Natal's iDube Raceway a favourite destination on the local racing calendar. A 1000 metres in length Idube is a once in a life time experience which offers high speed technical racing all set in a magnificent valley filled with wildlife.

Dubbed as the country's most unusual track featuring corners such as "Thunderdome" and "Kangaroo Bend" this is a race that cannot be missed.
